

To FESTITALIA Committee

Congratulations to Festitalia committee for a successful day of festivities.

The Dante Alighieri Society of Brisbane and the school of the society would like to extend sincere thanks to all of the committee for a task well done.

We found the event efficiently organised and to our satisfaction. We were given a good site for the stand, of sufficient size and well thought-out neighbours. The day ran smoothly and all our requests were met.

The Friends of the Dante Society shared our site and, on their behalf, I have been asked to also say thanks to everyone for managing such a gargantuan event. They sold roasted chestnuts and, like everyone else, underestimated attendance therefore ran out of supplies a little earlier than anticipated. This however, did not detract from the overall success and hope to be able to share the day again in the future.

On a personal note, as a Festitalia volunteer, I only wish that I could have done more to assist. I had a great day at the park, in the sun and in good company.

Regards

Bernadine Leon
